

# Model Route in Southern Hokkaido Area

## Let's learn about Hokkaido's history and culture!

Green  
Season

### Introduction about Southern Hokkaido Area

Southern Hokkaido Area has been Hokkaido's doorway to the sea from long time ago. There are many historic sites left here which tell Hokkaido's history can culture before the reclamation of Hokkaido. Since it is also the warmest and closest part to Honshu in Hokkaido, you can also see unique natural scenes such as beech forest.

### Points of the Model Route

#### Point ①

Visit Goryokaku, Noboribetsu Date Jidaimura and other historical sites to learn Hokkaido's history.

#### Point ②

Learn about Ainu culture in The National Ainu Museum and Park.
